Subject: FW: Proposed Rule Signed for Denver O3 NA Area Reclassification

Good Afternoon,
Please see below the pre-publication version of the Denver ozone proposed rule that was signed today. This was also forwarded to Dena and Curt but we weren't sure who from the Division was in today and wanted to make sure someone was aware of the action.
Please contact me if you have any questions.
Thank you.

Abby L. Fulton
Air Quality Planning Unit

Garry

I just left you a message about the proposed rule for Denver being signed by the RA today. A prepublication version is now available on EPA's website.

General site: <https://www.epa.gov/ground-level-ozone-pollution/2008-ozone-national-ambient-air-quality-standards-naaqs-nonattainment>

Denver notice: <https://www.epa.gov/ground-level-ozone-pollution/proposed-action-finding-denver-area-failed-attain-2008-ozone-national>

National notice: <https://www.epa.gov/ground-level-ozone-pollution/final-determinations-attainment-attainment-date-extensions-attainment>

We have also put together a press release that should be going out later today.

Call me if you have any questions.

Thanks

Carl Daly, Acting Director
Air and Radiation Division
